## Dawson Springs Health and Rehabilitation Center

Dawson Springs, KY 42408

**Dawson Springs Health and Rehabilitation Center** is a member of the **Concord Health Systems** family and is located in historic Dawson Springs, Kentucky. Dedicated professionals provide skilled care to individuals of all ages with developmental disabilities and/or behavioral issues. Services are also available for geriatric residents with psychiatric needs.

**Dawson Springs Health and Rehabilitation Center** Specialized in-house rehabilitations services, including speech therapy, physical therapy, occupational therapy and respiratory therapy, are provided by Evergreen Rehabilitation. Therapies are available to residents and out-patients. A registered pharmacist monitors all medications to ensure proper protocol is followed when medicines are ordered, delivered, and dispensed. Optometry, podiatry as well as dental care are also provided.

Two gated courtyards and a secured, covered deck provide residents with safe outdoor access. Residents are encouraged to enjoy their beautifully landscaped surroundings. Also, the WanderGuard System is utilized to ensure the safety of all residents.

A barber and hairdresser perform grooming services in the beauty shop located off of the Administrative hall. A dining room reflects a '1950s' theme, an idea suggested by a resident.

Weekend admissions are welcome. Medicare, Medicaid, private pay, and private insurances are accepted. Tours and/or family consultations can be scheduled by contacting Rachel Russell, LPN, 270-797-2025.

**NO sub-standard  
deficiencies were
